

Emory Pre-College Emergency Protocol

In the event of an emergency, please call:

Emory Police: (404) 727-6111 - Between Midnight and 9:00 a.m.

Be sure to inform them you are trying to get an emergency message to a student in the Pre-College Program. State the student's name and that they are in staying in Turman Hall or Hamilton-Holmes.

The Emory Pre-College Program Residence Life staff follows the Emory CEPAR (Office of Critical Event Preparedness and Response) protocols. If an emergency occurs, CEPAR sends instructions to the campus community, usually via text message or email. The Campus Life Professional on-call (CLP) along with other campus life administrators respond based on instructions. In addition to the CLP, the RA on-call and CEPAR, our staff works closely with Emory Police and Emory Hospital. Emory Residence Life undergraduate student staff members, including RAs (Resident Assistants) undergo comprehensive training and are supervised by full-time Emory Residence Life professionals.

Matriculated Emory Pre-College students are required to enter their cell phone number and carrier when they first log into OPUS. This number will then receive a test message with any campus alerts that CEPAR sends out. Refer to these resources for more information on [Emory's Emergency Notification System](#) and ["Just in Time" Emergency Guide](#).
